

# BOYS/GIRLS GOLF TRAINING FACILITY

## Arizona Biltmore Golf Club Phoenix, AZ

**2025–2026**  
Axis Golf Program

“Training at the Arizona Biltmore Golf Club gives our student-athletes a unique edge. With access to two distinct championship courses and top-tier short game facilities, we’re able to prepare them for real tournament conditions every single day. It’s a professional-level environment that elevates everything we do.”

*Scott Dean,  
President & COO,  
Axis Sports Academy*

Axis student-athletes train at the historic Arizona Biltmore Golf Club, one of the most iconic golf destinations in the Southwest. From precision short game work to full-course strategy, our golfers benefit from elite-level training grounds that mirror competitive tournament conditions.

### Built for Balance

The Axis golf program blends rigorous athletic training with academic flexibility, ensuring our athletes grow both on the green and in the classroom. The Biltmore facility provides the ideal environment for this growth.

### Biltmore Elevates Our Golf Program

**Real-World Tournament Prep:** Students train on the same surfaces used in PGA and amateur events.

**Skill Versatility:** Two very different course styles help our athletes adapt to all playing conditions.

**Historic Setting, Modern Coaching:** Timeless scenery paired with Axis's cutting-edge instruction.

### Facilities Highlights

**36 Championship Holes:** Access to both the Adobe Course (classic parkland layout) and the Links Course (desert-style design) allows our golfers to develop well-rounded course management and adaptability.

**Dedicated Short Game Area:** Sand traps, chipping greens, and putting complexes provide the perfect environment for skill development and performance coaching.

**Expansive Driving Range:** With multiple target greens and quality turf conditions, student-athletes can fine-tune their swing in a focused, professional setting.

**TrackMan Integration & Video Analysis:** Sessions may include swing data feedback and performance tracking to support individual development goals.
